• You can't do it yourself. You need somebody to reach out to help you. And you don't deserve it. And it's not a result of whether or not you prayed all night or whether or not you have more faith than someone else. It doesn't mean he loves you more. It means that every now and then in God's sovereign will he says "Here!" He's able to do it. And he does it. Because every now and then you need help."

• After a week of perplexing problems it does so rest my soul to ... come into the house of The Lord and to sing and mean it, "Holy, Holy, Holy, Lord God Almighty" ... (my) great joy and glory that, in occupying an exalted position in the nation, I am enabled, to preach the practical moralities of the Bible to my fellow-countrymen and to hold up Christ as the hope and Savior of the World.

**Stress**

- Even before the crucifixion, Jesus clearly had physical symptoms associated with severe stress. The night before the execution, his disciples reported seeing Jesus in "agony" on the mount of Olives. Not only did he not sleep all night, but he seems to have been sweating profusely. So great was the stress that tiny blood vessels were rupturing in his sweat glands and emitting as great red drops that fell to the ground (see Luke 22:44). This symptom of severe stress is called hematohidrosis.

**Purpose**

**John 3:17-18**  
17) For God sent not his Son into the world to condemn the world; but that the world through him might be saved.  
18) He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.

11) Which also said, Ye men of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.
